

ANASTASIIA BURIANENKO

JUNIOR FRONTEND DEVELOPER

Summary

I am a Junior Frontend Developer with knowledge of HTML5, CSS, and JavaScript, complemented by skills in frameworks like React, Redux Toolkit, and TypeScript. Adaptable to independent and team-oriented work, I collaborate seamlessly with colleagues, exchanging ideas and finding optimal solutions. Known for my punctuality, conscientiousness, and ability to work well under pressure, I thrive in dynamic environments. Driven by a commitment to lifelong learning, I am eager to contribute to innovative projects and grow as a professional in the tech industry.
